To: Steve Riley, Town Manager

From: Susan Simmons, Director of Finance

Date: September 11, 2015

**RE: FY 2016 Financial Statements – Through July (1st period)**

---

**General Overview**

The attached financial statements represent the activity for the first month of the fiscal year. As anticipated, there is very little activity on the revenue side as the majority of revenue collected in July is attributable to FY 2015. The expenditures are in line with expectations for the first month of the fiscal year, mostly for personnel costs.

**Debt Service Fund**

The expenditures recorded in the Debt Service Fund are related to the required prepayment of the full year's bond payments funded by the Beach Preservation Fees. These payments included both principal and interest.

**Dashboards**

The General Fund dashboards will be modified to exclude fiscal year 2013, present a full year for fiscal years 2014 and preliminary/unaudited 2015 and begin year-to-date for fiscal year 2016.

The negative revenue in December of 2012 is attributable to suspended invoice billing associated with the implementation of new EMS Billing software. For several months beginning in February of 2013, revenues will be higher as staff catches up billing in the new software.

The negative revenues in June of 2013 and 2014 are attributable to an increase in the estimated uncollectible EMS revenue. The increase is associated with the implementation of the new billing software and the phase-out of the old software, i.e. the "clean up" of the old records is responsible for the majority of this increase.

The decreases in June in the latter years represent the annual entry for allowances for doubtful accounts receivable. Staff has cleaned up and sent all outstanding balances in the old system to the SCDOR Debt Setoff program. Therefore in fiscal year 2014, we increased the allowance to cover most of these balances as well as created an allowance account in the new billing system.

The decreases in the first quarter of FY15 over FY14 represent a more normalized collection cycle. In FY14, the Town was catching up collections due to the implementation of new billing software.
