## OFFICIAL NOTICE REGARDING CONSTRUCTION PERMITS, DEVELOPMENT, SUBDIVISIONS, OR OTHER DEVELOPMENTAL APPROVALS

### **The Town is only accepting applications for permits related to emergency repair work as a result of Hurricane Matthew.**

The Mayor has declared a State of Emergency for the Town of Hilton Head Island as a result of the severe damage that has been caused by Hurricane Matthew.

As the Building Official and Land Management Ordinance (LMO) Official for the Town of Hilton Head Island, we are invoking Municipal Code Section 15-13-204 and LMO Section 16-9-101.M.1 which state that applications for construction permits, development, subdivision, or other development approvals or permits shall be suspended for a time period not to exceed 18 months. **Consequently, applications for new permits will not be accepted and the review of existing permits will be suspended as of October 13, 2016.** (Please note that this does not suspend accepting applications for permits for emergency repair work related to Hurricane Matthew.)

Town staff will reconsider this determination after 30 days and determine whether the Town is in a position to accept new permits and to resume reviewing existing permits.
