#### b. Chairman’s Comments

Chairman Johnson reviewed the next two months calendars and scheduled meetings. He told the Committee that they are under a bit of a time crunch as a recommendation from the Committee needs to be submitted to the Community Services and Public Safety Committee by the end of January in order for Town Council to review and provide feedback to the SCDOT. He did mention that if need be, there would be a possibility for the Community Services Committee to hold a special meeting in early February, but should plan on the later January date.
