- a. Hearing regarding the Hilton Head Island-Bluffton Chamber of Commerce/Visitor & Convention Bureau's proposed 2020-2021 Marketing Plan and Budget of Expenditures for the 30% Allocation of State Accommodations Tax Funds for the Advertising and Promotion of Tourism.

(Prior to the discussion, Chairman Marra and Vice Chairman Brown indicated that they had a conflict of interest and needed to recuse themselves. The required conflict of interest was completed, signed and made a part of the record.)

Ariana Pernice, VP of the Hilton Head Island-Bluffton Visitor and Convention Bureau (HHIVCB), started the presentation by reviewing the past year. She shared information regarding the number of visitors to Hilton Head, website visits, social engagement, public relations ad equivalency and Hotel/Home & Villa statistics. The statics showed positive records for Hilton Head thru their strong marketing efforts. The vision of the Destination Marketing Organization (DMO) is to lead the Hilton Head Island Region, community and partners collaboratively in effective education, advocacy and innovative programming ensuring tourism development and sustainable growth. The Hilton Head Island Visitor & Convention Bureau continues to design campaigns to reach Hilton Head's target audience keeping evolving and international markets at the top of their mind. The goal of the Destination Marketing Organization is to focus on personalization and customization when speaking to today's traveler through ensuring choices and options for all to enjoy while on Hilton Head. Additionally, the DMO's mission is to envision and advocate the common interest of their partners and stimulate the regional economy while enhancing the quality of life for all. Mrs. Pernice was also able to speak about the projected downturns of the U.S. travel industry as a result of the 2020 Coronavirus. She stated that a decline in the travel industry could cause more than a \$1.2 Trillion total economic loss and more than 8M people with total loss of employment subsequently causing more than 9x the impact of 9/11.

Year in Review

Significant discussion points included: Very effective 2019 Public Relations and Media recognition of Hilton Head Island with over 3,700 covered stories; 6.9B impressions for an ad equivalency of \$21M; ADARA Technology; announcement and integration providing unique and holistic insight on today's traveler and articulating the value of the HiltonHeadIsland.org website to stakeholders and expansion of air-service and air-carriers at both, Hilton Head Island Airport and Savannah/Hilton Head International Airport and embarked on a 10 year Destination Management Plan that will provide the roadmap and shared vision for the community to ensure responsible and sustainable tourism growth.

The Committee was impressed and pleased with the format and content of the 2020-2021 Marketing Plan & Budget. Continuing to stay relevant on the visitors mind with the marketing tools

provided has shown a year over year positive effect. There was an extensive question and answer session between the Committee and Mrs. Pernice related to the presentation. In addition, the Committee commended Mrs. Pernice's positive influence on how well she and her team have consistently prepared for and handled the presentation. The Committee remains encouraged with the direction of the Island's destination marketing efforts and applauds the HHIVCB's extensive tourism research and continuous forward planning. The path to dealing with the Global Pandemic of Covid-19 will be a difficult road, however, we are confident in the HHIVCB's plan to market effectively and responsibly.

Mr. Arnold made a motion to approve the revised 2020-2021 Destination Marketing Organization plan and budget as submitted. Mrs. Smith seconded. Without further discussion, by way of roll call, the motion was approved by vote of 5-0.

- b. Consideration of policy recommendations to Town Council for ATAX grants affected by the COVID-19 virus.

John Troyer, Director of Finance, gave the Committee a brief update regarding some of the challenges that the 2020 Accommodations Tax grantees are facing due to Covid-19. He stated that Town Council was looking for a recommendation of how best to move forward. Mr. Troyer stated some points to consider were if funds were spent in good faith on the approved purposes, those funds should be reimbursable. If an event was cancelled, but funds were not spent, the funds will not automatically carryforward to next year. Each grant is intended for a set period (2020). However, consideration should be given toward that agency in their proposal for 2021 to these funds not disbursed. There is an expectation that 2021 revenues will be down from 2020. The Accommodations Tax Advisory Committee can only recommend granting funds that are available. Funds not spent in 2020 will help give the Committee more resources to work with in 2021.

The Committee had an extensive discussion regarding the impact that Covid-19 has had on the 2020 Accommodations Tax grantees. Funding for the 2021 cycle is still unknown as Tax Revenues have been delayed by the State and most counties across South Carolina, however, they are hopeful that revenues will produce adequate funding for the 2021 Accommodations Tax Grant Cycle. The overall consensus of The Committee was that each organization should be considered on a case by case basis review for each applicant that has received funding for 2020, publically convey that the Committees future decision would not impact the applicants potential as of 2021 funding and also pose to the Town's Legal Counsel the consideration to extend the 2020 spend into 2021 after the Committees review.

Vice Chairman Brown made a motion to recommend policy recommendations to Town Council for the 2020 Accommodations Tax grantees. Mr. Fluker seconded. Without further discussion, by way of roll call, the motion was approved by vote of 7-0.

9. Adjournment:

Mr. Marra adjourned the meeting at 3:17 p.m.

GUIDELINES FOR APPLICATIONS FOR ACCOMMODATIONS TAX FUNDS

A. INTRODUCTION

1. As applicable to Hilton Head Island, the State law (see copy attached and section 6-4-10 in particular) specifies three groups, in general, which are entitled to receive bed tax funds after other mandated distributions have been made from the total funds available:
 - a. Town government: *"Based on the estimated percentage of costs directly attributed to tourists," Town expenditures for "the criminal justice system, law enforcement, fire protection, solid waste collection and health facilities when required to serve tourists and tourist facilities." See 6-4-10(b) and (b.4).*
 - b. Qualified groups advertising and promoting tourism in order to develop and increase tourism. *See 6-4-10(b.1).*
 - c. Qualified sponsors of arts and cultural events and for construction, maintenance and operation of facilities for civic and cultural activities. *See 6-4-10(b.2 and b.3).*
2. The law requires that the funds be used for **tourism-related expenditures** "primarily in the geographical area ... (of Hilton Head Island)." See 6-4-10(d). Therefore, the committee will not look with favor on applications for funds to be spent outside the Town or for activities or enterprises conducted outside the Town. The Accommodations Tax Advisory Committee will consider how applications either drive tourism to the Town or enhance our visitors' experience.
3. Applications must be filed by the publicly announced filing deadline, except the Committee may, for extraordinary reasons which prevent timely filing, extend the filing deadline.

ALLOCATION OF ACCOMMODATIONS TAX REVENUES

SECTION 6-4-5. Definitions.

As used in this chapter:

- (1) "County area" means a county and municipalities within the geographical boundaries of the county.
- (2) "Cultural", as it applies to members of advisory committees in Section 6-4-25, means persons actively involved and familiar with the cultural community of the area including, but not limited to, the arts, historical preservation, museums, and festivals.
- (3) "Hospitality", as it applies to members of the committees in item (2), means persons directly involved in the service segment of the travel and tourism industry including, but not limited to, businesses that primarily serve visitors such as lodging facilities, restaurants, attractions, recreational amenities, transportation facilities and services, and travel information and promotion entities.
- (4) "Travel" and "tourism" mean the action and activities of people taking trips outside their home communities for any purpose, except daily commuting to and from work.

SECTION 6-4-10. Allocation to general fund; special fund for tourism; management and use of special fund.

The funds received by a municipality or a county in county areas collecting more than fifty thousand dollars from the local accommodations tax provided in Section 12-36-2630(3) must be allocated in the following manner:

- (1) The first twenty-five thousand dollars must be allocated to the general fund of the municipality or county and is exempt from all other requirements of this chapter.
- (2) Five percent of the balance must be allocated to the general fund of the municipality or county and is exempt from all other requirements of this chapter.
- (3) Thirty percent of the balance must be allocated to a special fund and used for advertising and promotion of tourism to develop and increase tourist attendance through the generation of publicity. To manage and direct the expenditure of these tourism promotion funds, the municipality or county shall select one or more organizations, such as a chamber of commerce, visitor and convention bureau, or regional tourism commission, which has an existing, ongoing tourist promotion program. If no organization exists the municipality or county shall create an organization with the same membership standard in Section 6-4-25. To be eligible for selection the organization must be organized as a nonprofit organization and shall demonstrate to the municipality or county that it has an existing, ongoing tourism promotion program or that it can develop an effective tourism promotion program. Immediately upon an allocation to the special fund, a municipality or county shall distribute the tourism promotion funds to the organizations selected or created to receive them. Before the beginning of each fiscal year, an organization receiving funds from the accommodations tax from a municipality or county shall submit for approval a budget of planned expenditures. At the end of each fiscal year, an organization receiving funds shall render an accounting of the expenditure to the municipality or county which distributed them.
- (4)(a) The remaining balance plus earned interest received by a municipality or county must be allocated to a special fund and used for tourism-related expenditures. This section does not prohibit a municipality or county from using accommodations tax general fund revenues for tourism-related expenditures.

(b) The funds received by a county or municipality which has a high concentration of tourism activity may be used to provide additional county and municipal services including, but not limited to, law enforcement, traffic control, public facilities, and highway and street maintenance, as well as the continual promotion of tourism. The funds must not be used as an additional source of revenue to provide services normally provided by the county or municipality but to promote tourism and enlarge its economic benefits through advertising, promotion, and providing those facilities and services which enhance the ability of the county or municipality to attract and provide for tourists.

“Tourism-related expenditures” include:

1. advertising and promotion of tourism so as to develop and increase tourist attendance through the generation of publicity;
2. promotion of the arts and cultural events;
3. construction, maintenance, and operation of facilities for civic and cultural activities including construction and maintenance of access and other nearby roads and utilities for the facilities;
4. the criminal justice system, law enforcement, fire protection, solid waste collection, and health facilities when required to serve tourists and tourist facilities. This is based on the estimated percentage of costs directly attributed to tourists;
5. public facilities such as restrooms, dressing rooms, parks, and parking lots;
6. tourist shuttle transportation;
7. control and repair of waterfront erosion;
8. operating visitor information centers.

(c) Allocations to the special fund must be spent by the municipality or county within two years of receipt. If the allocations are not spent within two years, the municipality or county is subject to the provisions of Section 6-4-30(6). However, the time limit may be extended upon the recommendation of the county or municipality and approval of the South Carolina Accommodations Tax Oversight Committee in Section 6-4-30. An extension must include provisions that funds be committed for a specific project or program.

(d) In the expenditure of these funds, counties and municipalities are required to promote tourism and make tourism-related expenditures primarily in the geographical areas of the county or municipality in which the proceeds of the tax are collected where it is practical.

SECTION 6-4-15. Use of revenues to finance bonds.

A municipality or county may issue bonds, enter into other financial obligations, or create reserves to secure obligations to finance all or a portion of the cost of constructing facilities for civic activities, the arts, and cultural events which fulfill the purpose of this chapter. The annual debt service of indebtedness incurred to finance the facilities or lease payments for the use of the facilities may be provided from the funds received by a municipality or county from the accommodations tax in an amount not to exceed the amount received by the municipality or county after deduction of the accommodations tax funds dedicated to the general fund and the advertising and promotion fund. However, none of the revenue received by a municipality or county from the accommodations tax may be used to retire outstanding bonded indebtedness unless accommodations tax revenue was obligated for that purpose when the debt was incurred.

SECTION 6-4-20. Administration account established; State Treasurer's duties; distribution of account revenues; exceptions to tourism spending mandate.

(A) An accommodations tax account is created to be administered by the State Treasurer.

(B) At the end of each fiscal year and before August first a percentage, to be determined by the State Treasurer, must be withheld from those county areas collecting four hundred thousand dollars or more from that amount which exceeds four hundred thousand dollars from the tax authorized by Section 12-36-2630(3), and that amount must be distributed to assure that each county area receives a minimum of fifty thousand dollars. The amount withheld from those county areas collecting four hundred thousand dollars or more must be apportioned among the municipalities and the county in the same proportion as those units received quarterly remittances in Section 12-36-2630(3). If the total statewide collections from the local accommodations tax exceeds the statewide collections for the preceding fiscal year then this fifty thousand dollar figure must be increased by a percentage equal to seventy-five percent of the statewide percentage increase in statewide collections for the preceding fiscal year. The difference between the fifty thousand dollars minimum and the actual collections within a county area must be distributed to the eligible units within the county area based on population as determined by the most recent United States census.

(C) At the end of each fiscal year and before August first, the State Treasurer shall distribute to each county area collecting more than fifty thousand dollars but less than four hundred thousand dollars an additional fifteen thousand dollars. If the total statewide collections from the local accommodations tax exceed the statewide collections for the preceding fiscal year, this fifteen thousand dollar figure must be increased by a percentage equal to seventy-five percent of the statewide percentage increase in statewide collections for the preceding fiscal year. This amount must be distributed in the same manner as the fifty thousand dollars in subsection (B). The amount paid those qualified county areas under this subsection must be paid from the account created under this section.

(D) The amount withheld in excess must be distributed to the county areas whose collections exceed four hundred thousand dollars based on the ratio of the funds available to the collections by each county area.

(E) The accommodations tax funds received by a municipality or county in county areas collecting fifty thousand dollars or less are not subject to the tourism-related provisions of this chapter.

(F) Two percent of the local accommodations tax levied pursuant to Section 12-36-2630(3) must be remitted quarterly and equally to the eleven agencies designated by law and regional organizations to administer multi-county tourism programs in the state tourism regions as identified in the promotional publications of the South Carolina Department of Parks, Recreation and Tourism. This remittance is in addition to other funds that may be allocated to the agencies by local governments.

(G) The State Treasurer may correct misallocations to counties and municipalities from accommodations tax revenues by adjusting subsequent allocations, but these adjustments may be made only in allocations made in the same fiscal year as the misallocation.

SECTION 6-4-25. Advisory Committee; guidelines for expenditures; annual reports; reports to Accommodations Tax Oversight Committee.

(A) A municipality or county receiving more than fifty thousand dollars in revenue from the accommodations tax in county areas collecting more than fifty thousand dollars shall appoint an advisory committee to make recommendations on the expenditure of revenue generated from the accommodations tax. At least two of the hospitality industry members must be from the lodging industry where applicable. One member shall represent the cultural organizations of the municipality or county receiving the revenue. For county advisory committees, members shall represent the geographic area where the majority of the revenue is derived. A recipient's application must be reviewed by an advisory committee before it receives funds from a county or municipality.

(C) Advisory committees shall submit written recommendations to a municipality or county at least once annually. The recommendations must be considered by the municipality or county in conjunction with the requirements of this chapter.

(4) list of advisory committee members noting the chairman, business address if applicable, and representation of the hospitality industry including the lodging industry and cultural interests.

(E) The regional tourism agencies in Section 6-4-20 annually shall submit reports on their budgets and annual expenditure of accommodations tax funds pursuant to this chapter to the Accommodations Tax Oversight Committee.

The municipality or county must be notified if an expenditure is questioned, and the committee may consider any further supporting information the municipality or county may provide. If the committee finds an expenditure to be in noncompliance, it shall certify the noncompliance to the State Treasurer, who shall withhold the amount of the expenditure found in noncompliance from subsequent distributions in accommodations tax revenue otherwise due the municipality or county. An appeal from an action of the committee under this subitem lies with the Administrative Law Judge Division.

(b) If the committee determines that a municipality or county has failed to file the reports required pursuant to Section 6-4-25(D)(3), it may impose a fee of five hundred dollars a month or part of a month for each month the report is not filed, but not more than five thousand dollars. SAMPLE**

NOTES:

Below are **EXAMPLES** of what an applicant might list. Some are applicable to events, others (less extensive) for Arts/Services, or new ideas.

TOPICS:

These can be identified by the applicant as a new initiative, a project, element of their organization or event, Marketing, Operating funding, capital needs whatever is consistent with the law.

MEASURING RESULTS:

Each applicant should choose how they measure degree of success. Applicants need to explain why this is an effective measurement technique that reflects results and how that relates to the objective. Applicants and ATAC members and Town Council members need to be cognizant of how deep the applicant must go on measurement. It's the old "Effort vs. Return" or "Time vs. Micromanagement". For instance, getting the number of impressions from a specific magazine ad in a particular issue may require inordinate amount of staff time. Counting the time required to obtain or calculate the effectiveness / return / ROI number for a specific advertisement should be evaluated against what decision would be made if the number / results were different. Does ATAC need to be so deep so that we are recommending a change from "Gardening in the South" magazine to "Southern Living Gardening Guide"?
