a. Presentation and Discussion of the Annual Tax Increment Financing District Fund ("TIF") Report

Mr. Troyer reviewed and delivered a presentation on the Annual Tax Increment Financing District Fund ("TIF".) Upon the conclusion of the presentation, he answered questions posed to him by the Committee.

b. Town of Hilton Head Island Financial Report

Mr. Troyer reviewed and delivered a presentation on the status of the Town's finances. Upon the conclusion of the presentation, he answered questions posed to him by the Committee.

c. Consideration of a Recommendation – Authorizing the Town Manager to Enter into a Contract Securing Fire Rescue Fleet Updates

Chief Tadlock stated staff recommends that Finance and Administrative Committee recommend to Town Council to approve authorization to the Town Manager to enter a contract for the purchase of the Fire Rescue apparatus as detailed in the Town's FY 2022 Capital Improvement Plan.

Mr. Troyer and Chief Tadlock gave a brief overview of this item and explained the initial quotes for the Fire Rescue fleet updates came in higher than anticipated due to supply chain issues. Fire Rescue has carefully reviewed the specifications and made some deletions to bring the cost down while maintaining basic operability. With these adjustments, the bid price is \$7,450,473 which is \$1,248,605 above the approved \$6,201,868 budget. Additionally, there would also be an estimated \$14,000 for travel related expenses for five (5) Fire Rescue personnel to perform four (4) scheduled inspections that need to take place during the build. This leaves the total difference of \$1,262,605 to procure all the units planned in the CIP over the approved budget amounts.

Mr. Troyer stated they originally planned on a lease. The lease helps because it is going to match with the lifespan of the trucks. We are going to bid the lease, so it is separate from the financial transaction. The trucks are not scheduled to be delivered for some time. The lease proceeds will not be due until at best at the end of this fiscal year and probably into the first of next fiscal year. We will end up paying for this over time.

Chief Tadlock answered questions posed to him by the members of the Committee. Prior to calling the vote, Mr. Lennox explained that due to the time sensitivity of this matter, this item would be considered at Town Council later in the day. Mr. Harkins moved to approve. Mr. Stanford seconded and requested that Mr. Troyer give Town Council a breakdown in the lease costs in terms of ballpark numbers. The motion carried 4-0.

Mr. Ames noted that in the future, when a committee takes action an hour before a Town Council Meeting the public does not have an opportunity to consider the situation and the vote. I believe we should have a policy or a procedure where a Town Council vote cannot take place on the day of a Town Council Meeting.

8. Adjournment

By unanimous vote, the meeting adjourned at 2:25 p.m.

Finance Department

TO: Finance and Administrative Committee

VIA: Josh Gruber, Deputy Town Manager FROM: John M. Troyer, Director of Finance

DATE: December 7, 2021

SUBJECT: Affiliated Agencies Process and Application

Recommendation:

Staff recommends that Finance & Administrative Committee consider the approval of the Affiliated Agency process. This recommendation would have Affiliated Agencies apply for funding in a manner similar to the State ATAX process – except rather than being heard by the ATAX committee for recommendations, the Finance and Administrative Committee would hear requests and make recommendations to Town Council.

Summary:

Town Council has made recommendations that an updated process to receive, hear and recommend requests from Affiliated Agencies be established. Town Council has directed its Finance and Administrative Committee to be the venue for hearing these requests. Staff has put together application forms and a timeline for Finance and Administrative Committee to consider to assist in the process. Ultimately, Town Council will vote on the recommendations in its annual budget process. Finance and Administrative Committee needs to give the approval for staff to move forward so that the Committee has requests to consider and ample time to have the Committee's recommendations incorporated into the annual proposed budget.

Background:

On August the 19, 2021, Town Council voted 7-0 to approve a standard process for affiliated agency funding requests and considerations. Town Council's Finance and Administrative Committee would take the lead in receiving applications for funding, consider those applications and make recommendations to Town Council for funding consideration. Staff has put together application forms and a timeline for the Finance and Administrative Committee. Staff recommends Finance and Administrative Committee accept the forms and timelines and allow affiliated agencies to request funding in the new standardized process so that Finance and Administrative Committee can review the requests, consider funding possibilities and ultimately make recommendations to Town Council with the proposed FY 2023 Budget.

ATAX EFFECTIVENESS MEASUREMENT SAMPLE

NOTES:

Below are EXAMPLES of what an applicant might list. Some are applicable to events, others (less extensive) for Arts/Services, or new ideas.

TOPICS:

These can be identified by the applicant as a new initiative, a project, element of their organization or event, Marketing, Operating funding, capital needs whatever is consistent with the law.

MEASURING RESULTS:

Each applicant should choose how they measure degree of success. Applicants need to explain why this is an effective measurement technique that reflects results and how that relates to the objective. Applicants and Finance & Adminstratice Committee members need to be cognizant of how deep the applicant must go on measurement. It is the old Effort vs. Return or Time vs. Micromanagement. For instance, getting the number of impressions from a specific magazine ad in a particular issue may require inordinate amount of staff time. Counting the time required to obtain or calculate the effectiveness / return / ROI number for a specific advertisement should be evaluated against what decision would be made if the number / results were different.

TOWN OF HILTON HEAD ISLAND

Finance Department

TO: Finance and Administrative Committee

VIA: Marc Orlando, Town Manager

VIA: Josh Gruber, Deputy Town Manager FROM: John M. Troyer, Director of Finance

DATE: October 6, 2021

SUBJECT: Town of Hilton Head Island Financial Update

Recommendation:

Staff recommends that Finance Department continue to monitor Town Revenues and Expenditures and to provide monthly updates to the Finance & Administrative Committee for their review and discussion.

Summary:

As part of the pandemic response, Town Management identified the importance of monitoring revenue and expenditure items in a pandemic environment. Close monitoring can provide the ability to respond timely to changing economic realities.

In order to provide Town Council as clear a picture of the Town's revenue collections and financial position, I plan to give Finance and Administrative Committee an update during the December 16, 2021, meeting of the committee. I plan to give a preview of year-to-date results for the five months ending November 30, 2021. This will be a part of giving the Finance and Administrative Committee a continuing look at Town financial position and provide a forum for discussions. We will continue those discussions monthly to ensure the Town is appropriately positioned in this economic environment.

Background:

As Town Council considered the proposed budget for FY 2021, one issue at the forefront of the discussion was the economic uncertainties due to the impact of the COVID-19 pandemic -- which prompted the need for more frequent financial updates. Now we are in to FY 2022, and the pandemic is still not behind us. The financial updates need to continue at least until the COVID threat is contained, and probably much beyond. Town Council recognized that even after the budget was adopted for FY2022, continuing the close monitoring of the revenue collections and spending would continue to be important again this year.
