RE: **FY 2022 Financial Statements – Through March 2022 (9th Period)**

General Overview

Year-to-date results are in line with expectations. During the December to February period, a significant portion of the annual property taxes are remitted to the Town by the County. Through March, 97% of General Fund budgeted property taxes have been remitted to the Town by the County. Business license receipts, the second largest single source of income, are received mainly during the fourth quarter of the fiscal year. General Fund expenses, which are predominantly personnel related, are incurred more evenly throughout the fiscal year. General Fund revenue YTD is 11% above last YTD with this month’s collections. General Fund spending is up only 4% over last YTD.

COVID-19 is still a concern, and we will continue to monitor the impact to our financials. YTD Tourism-driven revenues have continued their strength and increased compared to last year. FY22 continues with positive results. We will continue to monitor COVID-19 and its potential effect on our financials.

Real estate-related revenues, namely Real Estate Transfer Fees and Permits are down (1%) compared to last fiscal year to date. Individually, the Real Estate Transfer Fee amount of \$5,043,908 is down (1%) from last YTD while Permit Revenues are flat compared to last year. Remember Real Estate Transfer Fees and Permit revenues were exceptionally strong last year.

Tourism-driven revenue results which is comprised of ATAX/Beach and Hospitality taxes are on a combined basis 34% higher than last fiscal year. We expected some moderation as the year progresses, but it has not happened yet. The local ATAX and Beach Fees are based on accommodations while the HTAX is a function of prepared meals and beverage sales. This aspect of our economy continues to show its strength.

General Fund Summary

Through March, the Town’s General Fund revenues and transfers in total \$34,559,671 or 79% of budget, which compares to \$31,692,816 or 73% of budget for last year. This is an increase of \$2,866,855 compared to the prior year. Approximately \$1,216,000 of the increase is due to business license revenue, \$520,000 of the increase comes from property taxes and \$970,000 is due to local accommodations tax. The rest of the variances are made up of some increases and decreases in various revenue and transfer accounts. We will continue to closely monitor the timing, amount, and our projections for revenues. Currently, we continue to be comfortable with our FY 2022 budget projections.

The General Fund expenditures and transfers out-to-date are \$29,753,463 or 67% of budget. From a calendar perspective we are 75% through the year at March 31st. Current fiscal year to date expenditures are \$1,081,758 or 4% higher than last year. Several detailed explanations for year-to-year changes are provided in the budget to actual statement or on the revenue analysis charts. All areas are within expectations for this time of year. Remember June is when we change to full accrual, so expenses will be more than a typical month – almost an extra month.

The fiscal year-to-date surplus in the General Fund is presented at \$4,806,208, which is \$1,785,097 better than last year’s YTD surplus of \$3,021,111.

Debt Service Fund

Debt service payments are due at various times during the fiscal year. As of the end of March, \$14,195,984 or 73% of the current year’s obligations, have come due and been paid. A number of the Town’s debt obligations have principal payments planned in the March to June timeframe to correspond to the timing of when the majority of property taxes are collected for the fiscal year. The budget planned for \$15.5 million in principal payments of General and Special Revenue Debt. The Stormwater Fund has scheduled another \$1.2 million in principal payments as well this year. No new money debt has been issued since 2019.

Capital Projects Fund

Major Capital Projects/Expenditures that have occurred thus far this fiscal year are as follows:

Shelter Cove Pathway & Parking	\$	996,586
Island Recreation Center - Capital	\$	296,633

Beach Management & Monitoring	\$	158,315

Summary balances for the Capital Project Fund are as follows:

	FY 2022
	Actual
Revenues	540,819
Transfers In	5,617,804
Capital Outlays	(3,577,844)

The table below reflects the Town’s revenue received for other governmental funds for this fiscal year in comparison to the same time last year. Explanations for material variances, are also included.

	<u>\$ 37,734,057</u>	<u>\$ 32,231,908</u>	<u>\$ 5,502,149</u>	<u>17%</u>	

A - Addressed previously in this cover letter

B - Most of the property tax revenue is received during the December thru February time period.

C - Amount represents fees charged to customers by Palmetto Electric.

D - Effective October 1, 2021, the Town suspended collection of the Road Usage Fee of \$25.00 that was adopted by the Town in 2016.

E - A disaster recovery tax of 5.0 mills was implemented in FY2018 and ends in FY2022. It is a component of property taxes.

Stormwater Utility Fund

The Business Type Activity – Stormwater data are presented on the modified accrual basis of accounting. This basis reflects the very close relationship between revenues and expenditures. These balances will change as Town staff modifies the accounts to full accrual basis, the required presentation basis in the Town's *Comprehensive Annual Financial Report*.

The Stormwater revenue collected by the County is normally remitted to the Town mainly during the December through February time period. Expenditures are incurred throughout the fiscal year. The expenses this year to date include \$280,592 for Capital Outlays, \$100,457 for Debt Service, and \$1,375,228 for operations. The current YTD results reflect transfers of \$2,205,250, one of which is a transfer of \$2,089,000 to the CIP to fund the Stormwater capital projects within the regular CIP for greater transparency this year.

Fund Balances

As you will notice on page 6, the year-to-date net change in fund balances is an increase of \$21,738,014 for governmental funds and an increase of \$974,928 for the Stormwater Utility Fund.

The significant increase in the governmental fund balance compared to last year is the result of the County being back on its normal schedule for property tax billing as discussed above, and a decrease of (\$6,299,949) in Capital Outlays compared to last year. As we move from more of a planning focus to an execution phase in CIP, you will see an increase in expenditures.

The original TIF went through tax year 2014/fiscal year 2015 and included the school district participating at 75% for both operating and debt millage. The TIF has been extended for 10 years; however, the school district changed its participation to exclude operating millage. Therefore, TIF revenues will be less in fiscal years 2016 and forward. TIF revenues by design are expected to grow via redevelopment; \$50 million is the capped addition for the 10 years. Revenues for the early years of the 10 year extension are expected to be in the \$4 millions, but will need to exceed \$5 million in the latter years to average \$5 million/year or \$50 million in total.
