

MEMORANDUM

To: Marc Orlando, Town Manager

From: John Troyer, Finance Director

Date: April 24, 2023

RE: **FY 2023 Financial Statements – Through March 2023 (9th Period)**

General Overview

Year-to-date results are in line with expectations. During the December to February period, a significant portion of the annual property taxes are remitted to the Town by the County. Through March, 102% of General Fund budgeted property taxes have been remitted to the Town by the County. Business license receipts, the second largest single source of income, are received mainly during the fourth quarter of the fiscal year. General Fund expenses, which are predominantly personnel related, are incurred more evenly throughout the fiscal year.

Real estate-related revenues, namely Real Estate Transfer Fees and Permits are (27%) lower than last fiscal year to date. The actions of the Federal Reserve raising interest rates are already impacting our finances. Individually, the Real Estate Transfer Fee amount of \$3,536,676 is down (30%) from last YTD and Permit Revenues are (19%) lower than last year. Remember Real Estate Transfer Fees and Permit revenues were exceptionally strong in FY2022 and FY2021.

Tourism-driven revenue results which is comprised of ATAX/Beach and Hospitality taxes are slightly up a combined basis 2% higher than last fiscal year. The local ATAX and Beach Fees are based on accommodations while the HTAX is a function of prepared meals and beverage sales.

General Fund Summary

The Town receives most of its property taxes (the largest revenue source) from December through February. The next largest General Fund revenue source is Business License revenues which the Town primarily receives in March through June. The property and business license tax collections are indicators of the Town's economy and property values.

Through March, collections continue as expected. The Town's General Fund revenues and transfers in total \$37,585,277 or 75% of budget, which compares to \$34,559,671 or 79% of budget for last year. This is an increase of \$3,025,606 compared to the prior year. \$908,287 of the increase comes from property taxes and \$925,133 is due to increased investment income. The rest of the variances are made up of some increases and decreases and changes in timing of various revenue and transfer accounts. However, we will continue to closely monitor the timing, amount, and our projections for revenues. Currently, we continue to be comfortable with our FY2023 budget projections.

The General Fund expenditures-to-date are \$33,705,482 or 68% of budget, while the fiscal year timing is 75% lapsed. June expenditures are expected to be higher with the annual conversion to full accrual. Current fiscal year to date expenditures are \$3,952,019 or 13% higher than last year. Several detailed explanations for year-to-year changes are provided in the budget to actual statement or on the revenue analysis charts. All areas are within expectations for this time of year.

The fiscal year-to-date surplus in the General Fund is presented at \$3,879,795, which is (\$926,413) worse than last year's surplus of \$4,806,208.

The General Fund has had two budget amendments totaling an increase of \$2,239,612 in revenues and \$1,239,612 in expenditures. The budget amendments included \$435,123 to provide carryover funds for priorities not expended from last year's budget, \$669,730 for Parking Contract Operations, and \$134,759 for Enhanced Code Enforcement. Also, in accordance with Town Council's direction to allocate \$1 million per year to housing, a budget amendment included direction to set aside \$1 million in a specially designated portion of the General Fund balance.

Debt Service Fund

Debt service payments are due at various times during the fiscal year. As of the end of March, \$14,250,573 or 69% of the current year's obligations, have come due and been paid. No new money debt has been issued since 2019. The Town is scheduled to retire \$16,055,000 general government debt and \$1,225,000 Stormwater Utility debt this fiscal year.

Scheduled interest payments are \$3,289,081 general government debt and \$84,817 Stormwater Utility debt. Note the ratio of principal to interest payments are heavily weighted to principal. Also, all of the Town's debt is fixed rate, so as interest rates rise, our payments do not change. Conversely, our investments are much shorter duration so as our investments mature, we are investing at higher rates. This year we have already earned more interest than all last year. We are on track to earn the highest interest earnings in the Town's history.

Capital Projects Fund

The Capital Projects budget for FY23 is \$45,671,933. As of the end of March, expenditures total \$12,735,247 and commitments total an additional \$14,352,423. A summary of the Capital Project Fund amended budget and expenditures, by category, is detailed below:

A - Addressed previously in this cover letter

B - Most of the property tax revenue is received during the December thru February time period. This is a timing difference.

C - Amount represents fees charged to customers by Palmetto Electric.

D - Effective October 1, 2021, the Town suspended collection of the Road Usage Fee of \$25.00 that was adopted by the Town in 2016.

E - A disaster recovery tax of 5.0 mills was implemented in FY2018 and ended in FY2022. Current year collections are from prior year tax billings collected this year. It is a component of property taxes.

F - The Short-term rental fee ordinance went into effect on January 1, 2023. The ordinance applies to privately owned property used as vacation homes and short-term rentals for a rental period of less than 30 days.

G - The Town took a historic step towards protecting its historic and culturally sensitive neighborhoods through the creation of the Gullah-Geechee Historic Neighborhoods Community Development Corporation. The focus of this organization will be the promotion of the cultural resources and the protection of cultural assets within the Island historic communities. The Town received a \$500,000 grant from the Beaufort County Good Neighbor Funds and a \$5 million grant from the South Carolina Department of Commerce. A separate fund has been established to record these activities and maintain any balances.

American Rescue Plan

The Town received a total of \$5.2 million in FY2021 and FY2022 from the federal government as part of the American Rescue Plan, legislation that provided funding to local governments to help respond to the COVID-19 public health emergency. Town Council approved the allocation plan of the funds in August 2021. As of March 31, 2023, \$2.2 million of the American Rescue Plan Act funds (ARPA) have been expensed in accordance with Town Council's Allocation Plan. ARPA funds are only recognized as revenue upon the incurrence of eligible expenses, therefore a total of \$2.2 million of the ARPA funds have been recorded as revenue in FY2022 and FY2023.

Stormwater Utility Fund

The Business Type Activity – Stormwater data are presented on the modified accrual basis of accounting. This basis reflects the very close relationship between revenues and expenditures. These balances will change as Town staff modifies the accounts to full accrual basis, the required presentation basis in the Town's *Annual Comprehensive Financial Report*.

The Stormwater revenue collected by the County is normally remitted to the Town mainly during the December through February time period. Expenditures are incurred throughout the fiscal year. The expenses this year to date include \$435,247 for Capital Outlays, \$84,816 for Debt Service, and \$1,441,633 for operations.

The Stormwater fund had two budget amendments totaling an increase of \$1,083,818. The budget amendments include \$103,818 to provide carryover funds for priorities not expended from last year's budget and \$980,000 for a backflow prevention gate project and the Lawton basin stormwater pump project.

Fund Balances

As you will notice on page 8, the year-to-date net change in fund balances is a surplus of \$12,836,661 for governmental funds and a surplus of \$3,011,322 for the Stormwater Utility Fund. These compared to last year's amounts of \$21,738,014 for governmental funds and \$974,928 for the Stormwater Fund. A temporary surplus is expected and is part of the normal seasonality of our operations.

Other Comments

We have added four schedules (aptly named Schedule 1, Schedule 2, Schedule 3, and Schedule 4). These schedules are additional information in a format similar to how it is presented in the annual report. We hope it is helpful information. These schedules are presented on YTD actual and annual budget, so the variances will reflect accordingly. We plan to include these in our monthly financial statement package. We welcome any comments or questions.

See next page for variance explanations.

Variance Explanations:

CL - Variance addressed in Financial Statement Memorandum.

A - Decrease in Business License revenues due to a timing difference in the distribution of State business license revenues between FY23 and FY22.

B - Increase in State Shared Funds revenue is due to a timing difference in the distribution of revenues between FY2023 and FY2022.

C - The Town continues to optimize its investing with SC's Local Govt Investment Pool (LGIP) Program, and has diversified the investment program to include investing in U.S Treasury Bills and Treasury Notes. As investments mature, the reinvestments are at higher rates than last year.

D - Increase in Public Projects and Facilities expenditures in FY23 is due to a budgeted increase in staffing and operating costs to improve and maintain the beaches, parks, and landscaping on the Island.

E - Increase in Fire Rescue personnel costs in FY23 is due to a budgeted increase to maintain competitive salaries and benefits with other municipalities in the area and open positions in FY22 related to increased competition for emergency response personnel.

The original TIF went through tax year 2014/fiscal year 2015 and included the school district participating at 75% for both operating and debt millage. The TIF has been extended for 10 years; however, the school district changed its participation to exclude operating millage. Therefore, TIF revenues will be less in fiscal years 2016 and forward. TIF revenues by design are expected to grow via redevelopment; \$50 million is the capped addition for the 10 years. Revenues for the early years of the 10 year extension are expected to be in the \$4 millions, but will need to exceed \$5 million in the latter years to average \$5 million/year or \$50 million in total.
