MEETING NOTES

Work Group:

Fostering and Inclusive Multi-dimensional Community

Present from Work Group: Quincy Campbell, Tayloe Cook, Linda Piekut, Jennifer Winzeler

Present from Development Team: Morris Campbell

Present from Town Staff: Sheryse DuBose, Taylor Ladd, Jennifer Ray

- The meeting began at 4:06 pm.
- The workgroup developed strategies for the goals. Discussions were had about utilizing applicable items from the Venue Committee Report. The workgroup asked that strategies for the goals include more actionable items. Discussions also included incorporating the work of the Office of Cultural Affairs into the strategies that covers arts and culture. Strategies were also discussed for community development, environment, diversity, and healthcare.
- Morris Campbell stated that he liked the partnerships that were mentioned in formulating the strategies because they would provide opportunities for the project implementation. He would like to see access to forestry, as well as waterways, discussed in the plan.
- Taylor Ladd discussed the Development Team meeting that would take place on December 2nd to review revised goals and strategy topics. Taylor Ladd provided information on next steps for the Our Plan, which includes drafting the plan and the workgroups reconvening in February to review the chapter and provide feedback.
- The meeting was adjourned at 4:53 pm.
